

Food Drive for The Compass

Sunday May 30, 2021 (12-1:30pm)

This week we are collecting food for The Compass Food Bank and we are looking forward to Sunday at the church building where we will be gathering all the food you have collected. While current health restrictions allow for the collection of food for food banks, we wanted to make sure that you are aware of the process for collecting food and the ways we will be ensuring safety as we do so.

Before you leave for the church, **please put the food you are dropping off in the trunk of your car**, or somewhere that our staff can get to easily and safely to get it out.

As you arrive at the church you will **enter through the west entrance** (closest to the railway bridge) where you will be directed to a drop-off table. There will be a staff member waiting there to unload your food.

As you **pull up beside the table**, please pop your trunk or open the door where your food is so that we can get it for you. You will stay in your car and we will do the lifting of the food to put it on the table.

You can then **exit through the east entrance**, waving good-bye to the staff as you leave.

From the table we will have a family of runners who will take the food to the trailer, where it will be loaded to be taken to The Compass.

We are grateful for the work you are doing this week to collect food from your neighbours and are looking forward to seeing you on Sunday between 12-1:30pm to drop off the food for The Compass Food Bank. Please do not hesitate to reach out if you have any questions.
